We then held a Netball festival –on an even colder and wetter evening! Teams from Shakespeare, Pennycross and Knowle played each other in a competitive round robin. The teams got better and better throughout the games as they got used to full sized courts and Hi-5 rules. Shakespeare Primary was unbeaten during their games and emerged as winners. Silver and Bronze had to be decided by a shoot out and after a very close battle, Knowle were silver medallists and Pennycross received Bronze medals. Well done to all players, thanks to the All Saints Academy leaders for supporting and thanks to the parents and staff who came to support
