Activity Day

50 Children from Knowle, Mayflower Pennycross, Riverside and Shakespeare came to this event- kindly hosted by Riverside. The children took part in a range of activities- Taekwon-do, Streetsurfing, Curling and Multiskills activities. They learnt lots of new skills as well as making some new friends!

Bikeability

In the first term of joining All Saints, all Year 7s are given the opportunity to do level 2 and/or Level 3 Bikeability. These awards teach them how to ride safely on today's roads and teach essential and potentially lifesaving cycling skills.

8 students undertook Level 2 whilst 30 students undertook Level 3 training. Congratulations to them all!
