Swimming Gala - Marjons

With the support of SwimCats and Devonport Royal Swimming Association, we ran a swimming gala at Marjons for our partner primaries. Children from Years 3, 4, 5 and 6 were invited and Knowle, Pennycross, Shakespeare and St Matthews took part.

It was a fun afternoon with a mixture of traditional and fun races. The competition was close but Pennycross were the winning team with Knowle second. Well done to all swimmers!

Hi-5 Netball

6 teams from our main feeder primaries came to this festival at All Saints netball courts. It was a closely fought contest with Pennycross emerging as winners and Shakespeare a close second. Well done to all teams who certainly improved their skills and their understanding of the game.

Football festivals

In March we held a year 3/4 Boys Tournament alongside a Girls Tournament at Goals - almost 80 children in total!

The games were closely contested in spite of the freezing conditions!

The Boys tournament was so close it went to goal difference with Shakespeare taking the trophy and gold medals and Mayflower runners up.

In the Girls tournament Mayflower were unbeaten and were the winners, closely followed by Pennycross.

Living for Sport Group

This group has enjoyed weekly sessions of swimming at the Life Centre. All Saints Academy are lucky to have David Hill – a Paralympic swimmer - as our Living for Sport mentor. Over 2 separate visits, he was able to deliver an inspirational assembly to the whole of Year 7 and 11, in addition to joining the LFS group for a whole morning of activity - including their swimming session. What a privilege!
