WEEKLY NOTICES & REMINDERS

Reading Rocks!

We all know how important improving reading is for students and the impact good reading skills have across all areas of the curriculum. In light of that I have been delighted to present a large number of Accelerated Reader certificates to Y7 and Y8 students this week.

Y11

It was good to see so many of you at the parents' evening on Wednesday. If you missed the evening can I encourage you to make contact with staff so that you know exactly what your child needs to do to be successful with GCSEs this summer.

Advance notice: we are planning a revision support evening for parents on Wednesday 7 February. This will provide you with hints and tips for supporting your child with preparation for exams.

Cars onsite

Please can I ask those of you who pick up students after school to make sure you drive and park considerately. We had an unfortunate incident a week ago where a student was in collision with a car because of irresponsible parking. I really don't want to close the school site to cars but will do so if needed to secure student safety.

Gary Fitcher, Headteacher
