## WEEKLY NOTICES & REMINDERS

Congratulations to the Y9 boys football team who have made it through to the final of the Plymouth Cup, beating St Boniface 3-1 – and thanks to Michael Lucas for leading and organising them so well.

Also congratulations to Science teacher Mrs Tuft who is one of only 70 people across Europe who have won a draw to visit the European Space Agency in Belgium this Easter. She will be attending a range of workshops looking at the ways 'space-age' robotics and science can be utilised back in the classroom.

If you have a child in Y10 or Y11 do take the time to ask them about the Humanutopia days we held earlier this week. It was powerful stuff and is designed to help young people understand how they can bring about positive change in their own life. You can find out more about the organisation here: <http://www.humanutopia.com>

We have received notification from Public Health England that there has been a recent national increase in notifications of scarlet fever. Please follow the link below for more information-

Also, a reminder for those members of Year 9 that have a Religious Studies trip to Exeter Cathedral on Monday 12 March - please return the consent forms, if you have not done so already, as it would be a shame for them to miss out.

Gary Fitcher, Headteacher
