

Bikeability Consent Form – Schools

The course

Bikeability is Cycling Proficiency for the 21st century and is funded by the Department for Transport (DfT) in partnership with Plymouth City Council. The course is designed to give young people the skills and confidence to ride their bikes on today's roads. Your son/daughter has shown an interest in the **Level 1/2** course.

Please read the following information and return the consent form attached to this letter to Mrs Smith via reception if you would like him/her to complete the course. **This will secure his/her place on the course.**

On Bikeability Level 1 your son/daughter will learn how to be in full control of the bike. The group will do fun cycling skills on the playground, preparing them to go out on the road, which is Bikeability Level 2.

On Bikeability Level 2 your son/daughter will learn the rules of the road and how to cope with other traffic as a cyclist. He/she will be taught how to deal with traffic on short journeys such as cycling to school. The Level 2 element is delivered on quiet public roads. An element of "risk" is an essential part of the course, but these risks are managed by qualified instructors, who'll look after your child at all times.

All courses are conducted by approved National Standard Instructors, who are CRB checked and have attended a First Aid course. They will decide if trainees have attained the required level of competence by continuously assessing each child's performance. At the end of the course, all children will receive certificates and advice regarding their skills.

What we ask of the parents

For the Level 1/2 course we would like your son/daughter to bring their own bike in to school if possible but **we are able to provide bikes and helmets if required.**

We request that you discuss the Bikeability course with your child, and encourage them to practice what they have learnt each session - maybe by accompanying them on a bike ride and discussing the Highway Code. Your child must attend every session - if they miss any sessions they may not be able to complete the course, also please ensure your child attends every session wearing appropriate clothing for cycling and the weather conditions.

Bicycle Checklist

Your child will learn the following checks to be made before each bike journey-

- Check that both front and back brakes work and the brake pads touch the wheel, not the tyre. It is a legal requirement to have two working sets of brakes
- Check the rider can easily reach the brake levers
- Check all cables to ensure they are not frayed or about to break
- Check the bike isn't too big or too small for the rider. The rider's toes should be able to just touch the ground when sitting on the saddle
- Check that the seat and handlebars are not raised above their safe limits (there will be a marking showing on the seat or handlebar post)
- Check handlebar end caps are fitted
- Check the wheels are fixed securely to the bike
- Check if the tyres are worn or have bulges. Make sure they are pumped up hard, as there is less chance of a puncture
- Check the handlebars turn smoothly and cannot be twisted out of line
- Check the pedals spin freely
- Check that all gears change easily and ensure chain is well oiled
- Check that the helmet fits snugly and securely. There should not be space to put more than two fingers between the chin and the strap.

The course is 6 hours long. We will be running this in normal school hours from 8.50-3.10

Your son/daughter will be completing the level 1/2 course on ONE of the following dates. The date will be confirmed once we have all the consent forms collected in.

Tuesday 5th May 2015 OR Wednesday 6th May 2015

He/she will need to wear-

Trainers with good grips, tracksuit bottoms (not flared), several layers on top, jumper, gloves, coat.

Please come to school already changed . You do not need your uniform on the day of the course

He/she will need to bring

A drink in a plastic beaker

Snacks

You will have lunch at school as normal

Please return the attached consent form to reception as soon as possible.

This will secure his/her place on the course

Any questions please contact me on 705131 or e-mail me on hsmith@asap.org.uk

Thank you

Mrs H Smith
