Re: Appointment of new Headteacher at All Saints

Dear Parents/Carers,

It is with great pleasure that we inform you that the Governors of All Saints Church of England Academy have appointed Lee Sargeant as its new Headteacher. Lee will officially take up his post at All Saints at the start of the new academic year in September 2018.

As part of a rigorous formal interview process, Lee presented his suitability for the post in front of staff, pupils and governors, as well as representatives from The Ted Wragg Multi Academy Trust and the Diocese of Exeter.

Lee was an outstanding candidate in all areas and will bring vast experience to his new role, gained from his current position as Deputy Head of St Cuthbert Mayne School in Torquay and his recent work with St Boniface's College in Plymouth and Ofsted.

Lee has the skills required for leading schools in challenging contexts whilst transforming pupil outcomes. We are sure that Lee will make an excellent Headteacher and we look forward to welcoming him to the Academy.

Yours sincerely,

Jenny Thomas
Chair of Governors
