27 September 2016

Dear Parent / Carer

I have the pleasure of inviting you to our annual Year 11 Information Evening which will take place on Tuesday 4 October 2016 at 6:00pm in our Hall which will be finished by 7:30pm.

The evening is designed to give you all the information you need regarding this crucial year in your child's education and allow you to ask any questions you may have.

After a brief welcome from the Headteacher, you will be invited to attend 3 sessions which will each last a maximum of 20 minutes. The first session will focus on how each student should be preparing for the Year 11 mock exams which are scheduled for December. This will include an explanation of how the website "Show my homework" works as this is the vehicle that the academy uses to set homework and revision resources.

The second session will look at how each student needs to look after both their mental and physical health during the stressful exam period and the third session will look at how students can challenge and stretch themselves by looking for new opportunities.

I really hope you are able to make the evening as we aim to share a lot of useful information that will be of great benefit to the students. Students should attend with their parents or carers if possible.

If you cannot attend this evening but are able to come into school at another time, then please indicate this on the slip below.

Yours sincerely

Richard Whitehouse
Raising Standards Leader
