

Dear Parent / Carer

I have the pleasure of inviting you to our annual Year 11 GCSE Information Event, which will take place on Wednesday 7<sup>th</sup> February at 5:00pm in our Hall. We will be finished by 6:15pm.

The event is designed to give you all the information you need regarding this crucial year in your child's education. It will also enable you to ask any questions you may have afterwards over a cup of tea and a slice of cake.

After a brief welcome from the Head teacher, we will run short information sessions for parents and students. These sessions will include a breakdown of the Maths and English exam, how to plan a revision timetable and managing stress. All these sessions will help support Year 11 and their families in preparation for the GCSE exams, which will begin the week beginning 14<sup>th</sup> May 2018.

In addition to this, on arrival, each student will receive a revision pack that the school has prepared for them. This will also include a breakdown of their most recent exam grades.

I really hope you are able to make the evening as we aim to share a lot of useful information that will be of great benefit to the students. Students should attend with their parents or carers if possible.

Mr. T Goodman  
Head of Year 11
