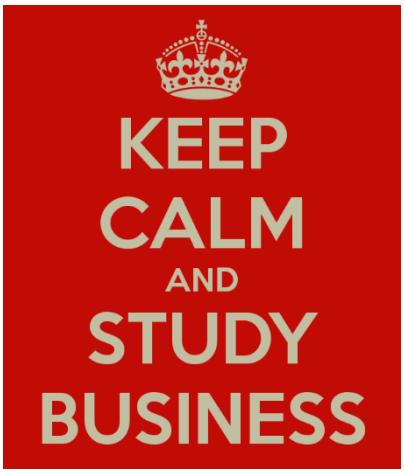
Level 3 Business – Summer Bridging Activity

In order to be ready to start your 6th Form Business course you will need to complete some research over the summer. Your task is to complete the following 2 activities to not only demonstrate your business knowledge but also your presentation skills.

Activity 1 – Business Ownership

You need to conduct some research into the different types of business ownership and then present your findings.



You will need to research the following types of business ownership:

- Sole Trader
- Partnership
- Private Limited Company (LTD)
- Public Limited Company (PLC)

For each type of ownership you will need to answer and complete the following:

- How is this type of ownership defined?
- What type of liability does this type of ownership have? What does this mean?
- List and then explain two advantages of this type of ownership.
- List and then explain two drawbacks of this type of ownership.
- List some examples (you can include logos) of this type of ownership.

Activity 2 – Business Purpose

Explain the different purposes of business organisations. You should use examples to support your answer.

Please bring the completed activities to your 1st lesson or if you finish before the start of term email your work to hkirtley@asap.org.uk or egaved@asap.org.uk
