

Mathematics information,

There are three Maths papers that your child will take at the end of this year,

Paper 1 - 90 mins – Non Calculator – 24<sup>th</sup> May 2018

Paper 2 – 90 mins – Calculator – 7<sup>th</sup> June 2018

Paper 3 – 90 mins– Calculator – 24<sup>th</sup> June 2018

All of the topics that are covered in each tier of Mathematics can be examined on any of the three papers. Please find attached a checklist that breaks down all the topics.

Ways that you are able to support your son/daughter to prepare for the summer exams.

- On Thursday nights (3.10 – 4.10) the Maths department run a learning café which teachers run on specific topics. All are welcome and your encouragement for attendance would be appreciated.
- Hegarty Maths is an online site where each topic is modelled, the student then practises what has been modelled through a quiz and it is then marked. Go to [www.hegartymaths.com](http://www.hegartymaths.com) and follow the instructions to log in.
- Just Maths, this resource is similar to hegartymaths. There are some videos and lots of worksheets that can be printed and completed.  
[www.justmaths.co.uk](http://www.justmaths.co.uk) login: AsapStudent Password: Asap
- Revision guides – The revision guides that we are suggesting come from Pearson, the publisher for Edexcel, our exam board. They come in different types and each type has two books. Target 3, Target 5, Target 7 and Target 9.
- Target 3 Number and Statistics ISBN 9780435183325  
Target 3 Algebra and Shape ISBN 9780435183318  
Target 5 Number and Algebra ISBN 9780435183332  
Target 5 Shape and Statistics ISBN 9780435183349  
Target 7 Number and Statistics ISBN 9780435183363  
Target 7 Algebra and Shape ISBN 9780435183356  
Target 9 Algebra ISBN 9780435183370  
Target 9 Algebraic techniques, Shape and Statistics ISBN 9780435183387
