

Dear Parent / Guardian,

Would you like to help your Son/Daughter make well-informed choices about their future study and careers?

Let's work together to inspire the next generation of Scientists, Engineers and world changers.

The [Engineering Development Trust](#) (EDT) has arranged an insightful local course over the Easter holiday [11th, 12th, 13th April], collaborating with; **Cornwall College, University of Plymouth** and **Babcock** to deliver their [Routes into STEM](#) programme.

What is Routes into STEM?

Routes is an innovative 3-day course which provides young people aged 13 to 15 (Yr9 & 10) with an understanding of the amazing opportunities offered by **STEM** based careers (Science, Technology, Engineering and Maths).

The course allows your child to engage with a **college**, a **university** and a **company** who have put together an interesting agenda to showcase STEM courses, apprenticeships, degrees and careers, giving your child the best chance to make informed decisions and to meet role models.

Day 1: Cornwall College, Estover – 11th April 2022

Day 2: University of Plymouth – 12th April 2022

Day 3: Babcock – 13th April 2022

Benefits include

- Engages all students no matter their academic level
- Practical taster sessions of STEM courses at College and University helping with decision making
- Visualisation of future STEM career opportunities and how to access them through apprenticeship & graduate schemes
- Gaining a bronze industry-led accreditation from [Industrial Cadets](#). (Inspired by HRH The Prince of Wales)
- Meet role models

Course fee & other support

The course costs **£150** for all 3 days including the Industrial Cadets accreditation fee. No payment is required until the place has been offered. **Pupil Premium (free school meal) students** should speak to their teachers for any opportunities for school support available. Please see Mrs Tuft in Science Room 142.

Lunch & Travel Arrangements

Students are responsible for their own daily travel. Lunch is sometimes provided for the course and this will be confirmed along with all other details in the Course Joining Instructions.

For More Information Contact EDT studentrecruitment@etrust.org.uk or 01707 906106.

Apply Online: <https://membersarea.etrust.org.uk/content/routes-stem-student-online-application>

Application deadline

Monday 21st of March however, places are limited so it is highly recommended that any interested students should apply ASAP to avoid disappointment!
