## Director of Curriculum Inclusion

Salary: Leadership  
Permanent  
Full time  
Start date: September 2022  
Closing date: 10am Monday 23<sup>rd</sup> May

At All Saints we believe that the vast majority of educational issues experienced by our students can be solved by having an excellent approach to quality first teaching and an outstanding literacy offer. Once this is established, we can then best support students whose SEND requires an education that is additional to, or different from, the vast majority of their peers.

We believe that this promotes the most inclusive offer, whilst ensuring that our most academically vulnerable children have access to an outstanding curriculum.

If you have a passion for curriculum and pedagogy and get joy at helping every child to succeed, we want to hear from you. If you love working with students and champion the rights of every child to an education, we want to hear from you. If you want to be part of a team committed to challenging educational disadvantage at every step, you want to work here.

We value talent and potential as much as experience and will provide all necessary training for the successful candidate, including the SENDCo qualification. You will have opportunities to visit other highly performing SEND departments and work across a growing network of professionals within one of the largest Trusts in the South West.

As a senior leader leading on curriculum inclusion you will have responsibility for:

- Literacy & Numeracy including reading across the school
- Inform curriculum and pedagogy across the school to ensure it is inclusive at all levels
- Oversee SEND and act as the school's SENDCo
- Develop a team that spans curriculum, pastoral and traditional SEND roles.

We wish to appoint an outstanding candidate for the role, who has an excellent track record for improving outcomes for children and a willingness to go the 'extra mile'.

If you would like a tour of the Academy or an informal conversation with the Headteacher, please contact [vacancies@asap.org.uk](mailto:vacancies@asap.org.uk) to request this.

Further details and an application form can be downloaded from the school website - <http://asap.org.uk/vacancies/>
